## 公司简介

### Company Introduction

广东省佛山市南海大昌货架有限公司是一家从事专业设计、制造、安装自选超市组合货架和仓库轻、重型货架以及商场配套产品（如购物车、购物篮、入口机、收银台）的生产厂家。公司位于广佛公路路边路段，交通运输十分方便，周围公共设施齐备，是一家颇具规模，设备先进的外向型企业，货架品种最为齐全。拥有一批基础扎实，素质较高的生产技术工人和专业设计人员。

本公司拥有展示货架品种50多个型号，300多种规格，能满足国内大型卖场整体设计和生产配套，其中重型仓库货架专业生产能力可达20米高，满足各层次客户的需求。始建于1987年，在公司领导的努力开拓下，不断发展扩大，近年更呈持续上升的趋势。在全国各地均设有分销机构，部分产品远销国外，深得中外用户的信赖，多次荣获“名优企业”称号。

多年来，本公司坚持经营理念：以优质的产品、良好的信誉、真诚服务社会为宗旨，依靠科学技术力量、先进设备和丰富的货架生产经验，竭诚为广大用户提供优质服务，欢迎各界人士垂询和惠顾。

Dachang Racking & Shelving Co., Ltd. Nanhai, established in 1987, specializes in designing, manufacturing and installing industrial & commercial light, medium and heavy-duty shelving and racking products, and also accessories. In 2008, we became the first manufacturer in China to be certified by E.U. standards.

(No.325 Highway) and Foshan Airport Road. We are surrounded by the networks of railway, freeway, river port and airport, with very convenient facilities of communication and transportation. After more than 20 years of development, the enterprise has now become one of the leading manufacturers in China and the most strong racking and shelving company in Guangdong, with a group of senior engineers, professional designers and technical personnel, fulfilling ISO9001:2000 certified quality standards, controlling and administering strictly the engineering design, production, inspection, construction and safe service. We have distributors all over the country and 60% of our products are exported overseas. Our concept is ensuring the quality and satisfying our international clients with good service. This concept has earned for us many accolades such as the titles of "Famous enterprise" and "Contract trustworthy enterprise" among others.

We supply our products to factories, mining, airports and logistics distribution. We always continue improving the design and production and we produce the series of supermarket shelves. We are able to produce the warehouse shelves with a height of 30 meters. We insist on this target: by perfect products, sincere service and a great reputation, by the technological power, advanced equipment and excellent skills, to earn the confidence from customers all over the world.
